### Professional Experience

2022- present: **Partner: Arnon, Tadmor-Levy**

Areas of specialization: Corporations, Commercial and Administrative Law, Tenders, Shipping and Port Law; Infrastructure

Corporate Law and Governance – Three years as primary legal advisor and corporate secretary for two maritime transport companies (in Ashdod and Haifa) – government operational companies providing essential services for all ships entering the country at all ports. Both companies are subsidiaries of a public company.

Additionally, I provide legal advice to directors, officers and controlling shareholders of private companies.

Infrastructure – I provide advice and ongoing guidance to the NTA (Metropolitan Mass Transit System, Ltd.) and its tender committees for construction of the Light Rail's Green Line track.

Commerce – I provide ongoing legal advice for private companies in the field of transportation, energy and industry.

Tenders and Administrative Law – I provide advice and guidance for statutory bodies and government companies.

2012-2021 GC – Primary legal advisor, VP status – Ashdod Port Company Ltd. (A government operational company, level 9 business, operating in the competitive market, employing over 1,000 people, with an annual business turnover exceeding NIS 1 billion.)

- Specializing in tender law, corporate law, corporate governance, administrative and commercial law, contract law
- Rich administrative experience – management of legal department, appointment and management of external law firms
- Providing ongoing legal advice to company administration and Board of Directors
- Setting company's legal policy

- Member with deputy director status in the company's limited management forum, key partner in administrative and strategic decision making within management and Board of Directors
- Legal advisor to tender committees and senior-position search committees
- Commercial negotiation management vis-à-vis private and governmental entities in large-scale transactions
- Drafting and submission of prospectus to the Securities Authority in preparation for issuance of company shares and bond raising
- Drafting and management of internal enforcement plans
- Overseeing complex legal processes submitted by and brought against the company and office bearers in areas including: contracts, tenders, labor laws including collective bargaining law (*mishpat kibbutzi*), administrative law, environmental law, anti-trust, class action suits, criminal proceedings, the Supreme Court, corporate law, torts, municipal taxation and more
- Extensive experience dealing with the State Comptroller regarding responses to preliminary audit reports and correction of shortcomings
- Specialization in regulations unique to government companies and participation in the legislative process
- Extensive experience working with regulatory bodies – Ministry of Transportation, Ministry of Finance, Government Corporation Authority, Commissioner of Wages, Environmental Protection Agency, Anti-trust Commissioner, Shipping and Ports Authority and more
